

BUNDABERG SAILING CLUB INC

24 January, 2018

STORAGE OF AN UNREGISTERED (tow) MOTOR VEHICLES/TRACTORS.

This policy will take effect from 1 January, 2018 and remain in force for three (3) years unless reviewed earlier.

The owner of an unregistered motor vehicle/tractor (vehicle) who seeks to store a vehicle on Club premises must first obtain the approval of the Management Committee. Such vehicle may only be stored by full financial members of the Club who intend to use the vehicle on a regular basis for towing/launching/retrieving their boat.

The Rear Commodore of the Club is the person authorised to allocate and manage the storage of such vehicle within the designated storage area of the Club's land.

The owner is responsible for such vehicle and any damage to club land or infrastructure or other vehicles or vessels or persons caused by such vehicle and that the vehicle remains in a safe and usable condition at all times. The Club accepts no responsibility for any such vehicle whilst stored or operated on or in Club owned land or facilities.

Fees and Charges

The Club Management Committee will set the storage fee annually and such fee is to be paid before storage commences. Half yearly pro-rata fees apply.

Breach provisions.

Acceptance by the Club of any vehicle for storage, custody, or other treatment is subject to the provisions of the Disposal of Uncollected Goods Act 1967 as amended, which Act confers on the Club a right of sale exercisable in certain circumstances after an interval of not less than six (6) months from the date from which the vehicle are ready for re-delivery or following a breach of the above provisions.

Failure to abide by this policy is crucial to the amenity of the club's land and facilities and any breach may result in notice being given by the Management Committee to cease the breach forthwith or for removal of the vehicle and/or other items of the member from the storage area. If the Club is required to remove the vessel and any rubbish or other materials due to such failure, the cost of such removal will be the responsibility of the owner.

The owner agrees to abide by these terms and conditions at all times.
